Ride & drive draft cross mare**\$ 3,500**

Description

Mary Jane is an approximately 9yo 15.2hh draft cross mare that is broke to ride and drive. She has been driven on the road and used in the fields some. She has been ridden in the round pen and on the trail. She does good on big trail rides and has been ridden by a youth rider. She will wtc, but is nothing fancy. She doesn't like fly spray, or her back feet picked up. Her price reflects this. She's not an "in your pocket" type horse. She is one that you can hop on and go trail riding on the weekends and have fun on. Located in Raleigh, NC, transportation is available.
